## The Club Experience

Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

“*The Club is a home away from home where I can feel comfortable and be myself.*”

### Michele Jackson

Dr. Brett Carter Youth of the Year

Michele has been recognized as the 2020 Youth of the Year for the Boys & Girls Clubs of Greater High Point. A member at the Carson Stout Club, Michele has been a member for over four years and says the Club is a "home away from home where I can be myself."

One of Michele's favorite activities at the Club is knitting which she was once able to do with the First Lady of North Carolina while visiting the NC General Assembly.

Michele hopes to become an entrepreneur using the skills she's learned at the Club. Since joining, Michele has become a standout at Carson Stout for demonstrating the importance of responsibility, maturity, and leadership. Currently in her senior year of high school, after graduation Michele will attend college where she plans to study business, science, and art.
